Website Stats

There were over **1000 hits** on the website during May, and at the top of the list was the “**Groups Index**” page making up nearly **25%** of the total.

In 3rd place was “Groups News”, so it underlines the importance of having interesting and up-to-date information about the groups.

Please note, a group page will always benefit from a good quality **picture or two** as well.

A Chance to Join History Group 2

We meet on the first Thursday of the month, 10.30am at a member's house where one of us will give a talk on a person of interest (not just kings and queens), an historic event or a less well-known event, which we will then discuss. Our talks, so far, have included: What the Romans Did For Us, Lindow Man (you remember "Pete Marsh" the body in the bog in Wilmslow?) and Hadrians' Wall.

We are a very friendly and enthusiastic group. If you would like to join us, and are prepared to give one or two talks per year on your pet history subjects, don't hold back
